

Accessibility Statement for Brooklands of Gainsborough

This is an accessibility statement from Brooklands (Gainsborough) Management Committee.

Conformance status

The [Web Content Accessibility Guidelines \(WCAG\)](#) defines requirements for designers and developers to improve accessibility for people with disabilities. It defines three levels of conformance: Level A, Level AA, and Level AAA. Brooklands of Gainsborough is partially conformant with WCAG 2.1 level AA. Partially conformant means that some parts of the content do not fully conform to the accessibility standard.

Additional accessibility considerations

Zoom to 200% requires additional improvement. Site is good to 150% zoom.
